

Rec. Building Debt Being Reduced, Further Financial Help Promised

Though almost stalled as far as material progress is concerned because of harvest operations, Vulcan's Recreation Centre campaign is still on and receiving promise of help from individuals, service clubs, and other organizations who are resuming activities for the fall season.

The remaining \$15,000 still owed to Bill Wearmouth of Bill Wearmouth Holdings Ltd. was reduced by \$6,000 recently. \$2,500 came from Recreation Centre funds and the balance was financed through the support of Vulcan and district citizens. This demonstration of good faith in the project has been an encouraging sign to the Centre directorate as is the evidence of future help from town and district organizations.

A raffle of a purebred hereford calf donated this spring by Neil Giles was drawn for at the Vulcan Theatre last Saturday night and was won by Mrs. Allan Walker, of Whitecourt. Mrs. Walker is a sister-in-law to Pat Walker, Centre chairman.

Phoned at midnight that night, the Walkers were holding a party in celebration of their fifth wedding anniversary and this news added further enjoyment to their evening.

Revenue from this project is not yet known.

This Saturday afternoon the Vulcan Kinsmen Club is holding a Trap Shoot at the local airstrip with proceeds going to the campaign. Vulcan Lions club has fund raising projects pending and Commodore Allen is planning a community auction at the completion of harvest, to aid this cause. A big future project will be a combine raffle, possibly starting next spring and a ladies' committee has been formed to initiate other suitable fund raising programs.

Pioneer Farmer Dies At Vancouver

An old-timer of the Reid Hill district, A. I. Somerville, passed away in a Vancouver hospital after a lengthy illness. He was 79 years of age.

Coming from Oregon, U.S.A. in 1908, he homesteaded seven miles east of Reid Hill where he lived until 1943. His wife predeceased him in 1942. One son, Wesley, married, resides in Seattle, Wash. There are two grand-children, Gordon and Deborah.

He was well known to many in the surrounding district as well.

"Mr. Boss Man, could I quit work a bit early? I've got to take my mother-in-law to catch a plane."

"That's O.K., Son. Don't delay it a single minute!"

The Lost Is Found And All's Well

Tony, the pint sized budgie bird belonging to Vulcan Police Chief Gene Moyer and his wife Eileen, flew the cage this summer and was the cause of an unhappy few days for its owners until its recovery, shown above.

Apparently Tony left the house without permission for a tour of the warm outside world which turned cold and grey before he was ready to return and he was presumed missing in flight. His loss was a sad one.

Girl Guides Attend Provincial Training Camp

Girl Guides Joanne Ulrich from Champion and Karen Williams from Arrowwood represented the High River division at the 1964 Patrol Leaders Training Camp at Tangle Trees Provincial Camp near Wetaskiwin.

The Guides had a busy program consisting of four training sessions daily, covering Tenderfoot, 2nd, 1st class and the patrol system.

The new change in the Guide Program was studied, and will come into effect September 1965. The major change will be the age limits. Brownies will be 7 to 10 years, Guides 10 to 14 years and Rangers 14 and over. Joanne and Karen will give reports on their camp at the Division Meeting held in Vulcan in November, as well as to their own companies and local associations.

Tom Babuk Wins Junior Golf Tourney

The turnout wasn't large for the Junior Golf Playoffs but the enthusiasm and the calibre of play shown by the boys (aged 13 to 15) rates high.

Karen Boutland won out in the girls section.

Now Associate To Royal Music Conservatory

Mrs. Jean Ann Hartung is now an Associate to the Royal Conservatory of Music of Toronto and has recently received her certificate to that effect.

Mrs. Hartung studied piano with the late Mrs. Josie Scobbie, the late Mrs. W. W. Almond, Mrs. W. Hilz, Jr., and with Mrs. D. S. Paris until the age of 14, when she studied in Lethbridge with A. K. Putland, M.A. (Alberta), B.Mus., B.Paed. (Toronto).

In 1960, after graduating with senior matriculation from Vulcan High School, Mrs. Hartung moved to Lethbridge and continued her studies in piano and theory with Mr. Putland, also taking English 200 at Lethbridge Junior College. After her marriage to Ted Hartung in 1962 she furthered her studies at the piano, successfully passing the examinations for her degree in January 1964 and receiving her ARCT certificate in June.

Mrs. Hartung is the only daughter of Mr. and Mrs. Harris W. Matlock.

Hutt's Buy At Brant

Thirty quarter-sections of land, comprising 4,738 acres in the Brant district formerly owned by Fletcher Bros. and George Hamilton, have been sold.

The land has been bought by six members of the Hutterite colony at Wrentham.

The Rock Lake Hutterian Brethren at Wrentham applied this past spring to purchase this land for the purpose of establishing a new colony. The application was turned down by the provincial government. The application was reviewed a few weeks later by the Executive Council of the government and permission to establish the new colony was again denied.

It is considered likely that the purchasers of the land intend to farm it as individuals, rather than as a colony.

Office Building Now Occupied

The office building erected on the site of the frame building formerly occupied by the Foothills Health Unit sub-office, next to the post office, has now been completed except for the front facing.

Offices of T. G. Brown, C.A., occupy the greater portion of the building and Mr. Brown moved into his new offices last week. They consist of a large general office, a private office, a third room that is primarily used for file storage but can also be used as an office, and a bathroom. Space to be occupied by the health unit sub-office is one large office and a bathroom.

The building is owned by Mitchell & Mitchell Stores Ltd. and general contractor was E. W. Lind.

Travers Man, J. L. Vanholm Dies At Age 59

J. Leonard Vanholm of Travers died in Lethbridge on Tuesday, Sept. 8, 1964, at the age of 59.

Born in Minnesota, he moved with his parents to the Travers district in 1907 and later farmed in the district until 1963, when ill health forced his retirement.

Surviving are his mother, Mrs. Fred Vanholm of Travers and a half-brother, Henry Jensen, also of Travers. He was predeceased by his father in 1922 and by his brother, Bert Vanholm, in 1956.

Services were held Saturday in the Christensen Chapel, with Rev. A. T. King officiating. Interment was in Archmount Memorial Gardens.

Lynda Dann Receives Award

The 15-year-old daughter of Mr. and Mrs. Ben Dann Jr. of Vulcan, Lynda Dann was one of six young Albertans to receive Calgary Power Ltd. Alberta Junior Citizen Awards for 1964. One group award was also made in the Calgary Power area of the province.

The winner of each award was presented with a \$50 Canada Savings Bond and a framed certificate during the annual convention of the Alberta Weekly Newspapers Association held at Edmonton last week.

The winners were selected by a panel of weekly newspaper editors. The Junior Citizenship program is sponsored by Calgary Power Ltd. with the co-operation of Alberta's weekly newspaper editors, to suitably recognize girls and boys between the ages of 6 and 16 who made a real contribution to their communities. The field of qualification is broad. Acts of physical heroism, achievement of scholastic success under adverse circumstances, outstanding work with a church, school, social or other organization, or the shouldering of unusual home responsibilities, are but a few.

This year Calgary Power extended the Junior Citizenship Program to include group awards. It was felt that there were many boys or girls who, as a group, had performed some act of merit or courage together and should be given the recognition they deserved.

As guests of Calgary Power, the young award winners from various communities in Alberta were entertained at lunch in Edmonton. G. H. Milligan, Director of Employee and Public Relations for Calgary Power, presented them with their awards.

Lynda Dann's award was made in recognition of her courageous action in rescuing an unconscious girl, Roxanne Graham of Calgary, from a deep pool in a mountain stream and subsequently recovering the body of the girl's uncle, who had drowned in an attempt to rescue his son and Miss Graham. The high standard of citizenship Lynda has achieved in her scholastic efforts, her church work and in athletics also impressed the judges.

Other winners of the 1963-64 Calgary Power Junior Citizen awards were:

Gary Fry of Jasper Place, Alberta, who is only 12 years old and had to assume complete care of his invalid mother and total responsibility for their home.

David Kilford of Sherwood Park, Alberta, who saved two of his friends from drowning.

Philip Moncrieff of Cayley, Alberta, who showed great courage and unselfishness by caring for his

astatic efforts, her church work and in athletics also impressed the judges.

Other winners of the 1963-64 Calgary Power Junior Citizen awards were:

Gary Fry of Jasper Place, Alberta, who is only 12 years old and had to assume complete care of his invalid mother and total responsibility for their home.

David Kilford of Sherwood Park, Alberta, who saved two of his friends from drowning.

Philip Moncrieff of Cayley, Alberta, who showed great courage and unselfishness by caring for his

crippled brother each and every day.

Albertine Clearhout of Bashaw, Alberta, who cheerfully assumed overwhelming responsibilities in her home before and after her mother's death.

Hugh C. McLeod of Jasper Place, Alberta, who in spite of his loss of sight, successfully completed his school year.

Junior red cross group — Grades 5 and 6, Cayley school — who worked diligently knitting squares to be made into afghans and assembling "Health Kits" so desperately needed by the Red Cross.

3 Month Review

Routine Court Cases Fill Summer Docket

Fine totalling \$618 were levied at Vulcan Police Court by magistrate Harvey during the summer months of June, July and August. The majority of cases involved illegal use or possession of liquor and a variety of auto driving infractions.

143 complaints were turned in resulting in 51 court cases during the three month period.

In June 22 cases were heard out of 53 complaints registered. One car-bike accident resulted in slight damage with the boy being taken to hospital overnight. Several bike thefts were reported with two found and returned to owners. Seven cases involving liquor were heard and a transient, Maurice Marsden was given a two month term in Lethbridge jail for passing a bad cheque.

In July 47 complaints resulted in 13 appearing at court with fines ranging from \$5 to \$50 being assessed. Impaired drivers, one driving with a suspended licence, and a person found drunk while on the interdict list made up the bulk of offences. Two young Calgary girls were picked up by police in Vulcan and returned to their parents.

John Pedronalli of New Mexico is serving a year's sentence for theft locally of over \$50, while in a less serious vein five persons found riding in the front seat of an auto were curbed from this dangerous practice with suitable fines.

A 13 year old boy was taken home to his parents when he was found one evening going through cars parked outside the Vulcan Theatre while another boy was warned about shooting his .22 rifle over fairways of the local golf course. Five businessmen

were notified when their premises were found unlocked during routine night inspection by police.

Police responded to five fire calls and one ambulance case during the summer.

Over a two year period the police storage room has gathered an accumulation of found items turned in such as tires, car wheels, hub caps, a bicycle and tricycle, eye glasses and a variety of keys. These can be claimed by owners giving positive identification.

Highway Entrance Studied

Following two recent accidents and several "near misses" at the recently rebuilt highway entrance to Vulcan, the Department of Highways has taken a second look at this dangerous intersection. Minor changes of some nature will likely be made, with a view to improving matters for vehicles coming from the south and turning in to Vulcan.

W. H. Richardson, chairman of the Chamber of Commerce Road Committee, contacted Highways Minister Gordon E. Taylor last weekend and, as a result, Supervising Engineer Paul Fetsko of the Highways Department, Calgary, was in Vulcan Monday morning to look over the situation and see what changes could be made in the highway entrance.

Discussing the matter with Mr. Richardson, Mayor M. R. Morrison and Advocate editor R. C. R. Munro, Mr. Fetsko said that some minor changes in the intersection and the erection of proper signs would be done as soon as possible in an effort to improve the dangerous situation that apparently now exists.

The ceremony took place in St. Paul's United Church, Edmonton, and the double ring service was performed by the bride's father.

Given in marriage by her brother Godfrey, of Toronto, Ontario, the bride was lovely in a simple full length gown of taffeta; with fitted bodice and full skirt pleated over hips, with a slight train. The longilly point sleeves and front of skirt had single applique flowers. Her chapel veil was held in place by a white flower. She carried a bouquet of white orchids and stephanotis.

The maid of honor and flower girl wore deep blue taffeta and carried white Shasta Mums.

The groom was supported by Lawrence Homenuik of Mannville. Ushers were Derek Boe and Ralph Panter of Mannville. Wedding music was played by Harry Farmer of Edmonton and Mrs. Jack McCready sang a Wedding Prayer by Handel during the signing of the register.

Mrs. J. Clarke, mother of the bride wore a jacket dress of teal blue taffeta with white accessories and wore a corsage of yellow roses. Mrs. M. Smith mother of the groom wore a jacket dress of pale pink and wore a corsage of red roses.

Reception for some hundred guests was served by the ladies of St. Paul's UCW, in the church banquet room.

The bride's sister Margaret Fletcher was bridesmaid, and maid of honor was Elaine Rohoff both of Calgary. They wore identically styled lace over taffeta street-length dresses of pink and green and carried matching bouquets of carnations.

Doug Racher of Nanton attended the groom as best man. Adrian Dykstra was also a groom's attendant. Ushers were Eldon Smith of Champion and Gordon Bulluait of Calgary.

For her daughter's wedding Mrs. Balmer chose a blue sheath with white accessories and a corsage of yellow sweetheart roses.

A reception was held in the Glendale Community Hall for approximately 90 guests.

A toast to the bride was proposed by her uncle, Russell Fletcher to which the groom ably responded.

Guests were present from Vancouver, Edmonton, Kitchener, Nanton, Parkland, Champaign and Calgary.

The presence of the bride's grandmother, Mrs. Balmer of Vancouver, and her grandparents, Mr. and Mrs. Bryant of Edmonton was especially acknowledged.

For the trip to Banff the bride changed to a navy blue suit with pink accessories and wore a white orchid corsage.

LOANS FOR STUDENTS

Guaranteed by the Government of Canada

Purpose: The purpose of the Canada Student Loans Act is to facilitate bank loans for students who need financial help to continue full-time studies beyond secondary school level at Universities and other educational institutions.

Who can apply: Any Canadian citizen, or anyone resident in Canada for one year who intends to live in Canada after completion of studies, may apply for a loan under the Act. An applicant must be enrolled or intend to enroll as a full-time student at an educational institution approved by provincial authorities, and must meet the standards of academic qualification and financial need established by the student loan authority in the Province in which he applies.

Amount of loans: Depending upon individual circumstances and financial need, loans up to \$1,000 a year may be made, with a maximum of \$5,000 during a student's academic career. The Provincial Authority receiving applications and determining eligibility will issue a certificate to each eligible student stating the maximum amount the student may borrow. This Certificate of Eligibility is required before a student can arrange a Government Guaranteed Student Loan with the bank of his choice.

Repayment: Interest-Free and Delayed Repayment Period

To assist students, the interest on loans during the period a student continues full-time studies, and for six months thereafter, will be paid by the Government of Canada. During this same period no repayment of principal is required, nor will any service charge or fee be payable by the student.

Method of Repayment

Borrowers will begin to pay interest and to repay loans six months after they cease to be full-time students. The current interest rate to students is 5¼% per annum. Normally the repayment period will be five to ten years. Borrowers have the right to repay loans in part or in full at any time without penalty.

Life Insured

In the event of the death of a borrower responsibility for repayment of the loans will be assumed by the Government of Canada.

Where to apply: Students resident in Alberta, regardless of where they intend to study, should apply for a Certificate of Eligibility to:

Students Assistance Board,
Department of Education,
Edmonton, Alberta.

The above notes are based upon the Canada Student Loans Act 1964 and are for reference only.

Individuals or Colony?

The sale of 4,738 acres of land in the Brant district to six members of the Hutterian Brethren from the Wrentham Colony raises an as yet unanswered question: Will the land be farmed by individuals or will it in actuality become a colony in spite of the government's refusal of permission to establish a new colony on these lands?

Buying the land as individuals appears to be a way of circumventing the provincial cabinet's edict that the land could not be purchased for the purpose of establishing a new colony. One result will be the same: the land passes out of circulation and will not be available, now or in the foreseeable future, to present farmers in the Brant district or their sons.

It will be interesting to see what action, if any, will be taken by the provincial government in the face of this apparent defiance of its laws. This land transaction could establish a precedent for future Hutterite expansion in Alberta.

LETTER TO THE EDITOR

To the Editor of The Advocate,
Dear Sir,

Early last spring the residents of the County of Vulcan were slightly aroused when the Hutterites made application to purchase land and establish a colony in the Brant area. Some of the residents in the immediate area worked hard to protest the colony. These people also sent a small delegation to Edmonton. The rest of the county did very little if anything to protest the colony except to write a few letters.

Eventually word was received from Edmonton that the application had been turned down and that nothing could be done for another three years. The people of the County of Vulcan settled down to sleeping in the summer sun, and with the exception of raising the odd eyebrow to see if any rain was in sight paid little attention to anything that was going on around them.

Mr. Ernest Manning was not sleeping, nor the people who wanted to sell the land, nor were the Hutterites who wanted to buy the land. Shortly after the news from Edmonton that the application had been turned down Mr. Manning sent a very small, carefully selected investigating committee to Brant and Vulcan to find out what opposition the residents had against the Hutterites. This committee interviewed a likewise very small and carefully selected group of people and reported their findings to Mr. Manning.

It is to be presumed that the report contained no opposition because during the summer the deal

has been closed and the Hutterites now own the land.

The deeds are not registered to the colony (Mr. Manning's loophole) but to individuals, all of them Hutterites, with one or two names on each parcel of land. This does not mean too much as some of the land owned by the Queens-town Colony is also deeded to individuals.

Mr. Manning is probably happy knowing that he has pulled the wool over the eyes of the people surrounding the new colony.

The land owners are no doubt happy to have made the sale. The Hutterites are happy to have purchased the land. The silence of the residents of the County of Vulcan would indicate that they too are quite happy with the whole situation.

The people's choice, Mr. Speaker, a back bench (a way back) of the Social Credit party is apparently happy with the new deal, for nothing has been heard from him either.

This however is not the happy ending. The Hutterites are already trying to expand. They have a local friend, who only last week has been approaching land owners near the new colony with large cash offers to purchase more land. Next will be another colony and so on till in years to come the Hutterites will occupy the whole county.

If the people of this area, or in all of Alberta, wish to stop this expansion they will have to organize 100% and voice their opposition loud and clear to the Government of Alberta.

To the Hutterites who are starting the new colony at Brant (and that's what it is) I would like to suggest that they name it "The Ernest Manning Colony" so that in centuries to come Hutterites will not forget the man who helped them get well established on the rich farm lands of this abundant and beautiful province of Alberta. LETTER TO EDITOR

Arrowwood, Alberta,
September 8, 1964.

Editor, The Vulcan Advocate,
Vulcan, Alberta.

Dear Sir:

I read with some interest the letter in the August 6 issue of the Advocate signed A Taxpayer. This person pointed out some of the mistakes they felt were being made by our councillors in administering the tax dollar collected from the people of the county. I would very definitely have to agree with the general tone of the letter that our representatives are treating their public trust much too lightly and without the responsibility necessary for efficient government.

We recently had some graveling done in our area, and the manner in which these trucks are driven and the policy of road preparation before and after the gravel was spread was an insult to the intelligence of the county residents. No successful farm operator would or could manage his farm with the same disregard and stay in business.

It seems that the amount of responsibility which is placed upon these men when they are elected, should be treated with more thought and concern.

—Another Taxpayer

ANNUAL WEED ESSAY CONTEST

Let's have a winner from Alberta this year for the \$300 scholarship, sponsored annually by the North-Central Weed Control Conference.

W. Lobay, Alberta's Supervisor of Soils and Weed Control, says the 1,000 word essay contest entitled "How We Control Weeds On Our Farm" is open to boys and girls, between the ages of 12 and 18, from the three prairie provinces and the 14 north-central states. Contestants' families must be engaged in managing and operating the farm.

In addition to the \$300 scholarship, there will be a provincial award of \$25 for the best essay from each province. A number of municipalities in Alberta are also giving prizes for the best essay in their area.

The scholarship, can be used at any recognized agricultural or home economics college, providing the courses chosen lead to a degree or diploma in these subjects. It can be used any time up to three years after the winner has graduated from high school.

Mr. Lobay advises all contestants to prepare their essays now. The essay must be in the hands of District Agriculturists not later than October 2. Complete details and rules for entering the competition can be obtained from District Agriculturists, Field Supervisors and the Field Crops Branch of the Alberta Department of Agriculture, Edmonton.

Former Teachers Married At Church of Christ

Marriage vows were exchanged at the Vulcan Church of Christ on August 1, between Marjory Thomson, daughter of Mrs. George Reath and the late George Reath of Vulcan, and Alexander F. Psikla, son of Mrs. Joseph Psikla and the late Joseph Psikla of Blairmore. Rev. R. J. Pelham officiated. Darrell Maisey of Lethbridge presided at the organ.

The bride was given in marriage by her brother James Reath. She chose a floor-length gown of white peau de sole. The bolero, which featured a round neckline and lily-point sleeves was trimmed with lace. The skirt, which was slightly entrain was also trimmed with lace. The shoulder-length veil was held in place by a seed pearl tiara.

The bride wore a pearl necklace, gift of the groom. The bridal bouquet consisted of white orchids complemented with lace and pearls.

Attending the bride were her sister Miss Evelyn Reath of Vulcan, and Miss Betty Hammer of Grande Prairie. They wore floor-length gowns of pink and green respectively, and each carried a cascade bouquet of roses.

The groom was attended by his brother, Ernest Psikla of Calgary. Ushers were W. C. Love of Calgary, cousin of the bride, and H. C. Codd of Sunset House, brother-in-law of the groom.

During the signing of the register, the bride's sister Mrs. Darrell Maisey of Lethbridge sang "Abide With Us".

Following the ceremony, a reception was held in the dining area of the church. The bride's table was centered with the wedding cake which was beautifully decorated by Mrs. Albert Roy of Stavely. Douglas Smith proposed the toast to the bride. A telegram of congratulation from Grande Prairie was read.
